EDUCATION

Malla Reddy College Of Engineering and Technology <i>B.Tech - Computer Science and Engineering(Data Science) - CGPA - 8.5</i>	Aug 2023 – Jun 2027 Medchal, Telangana
Sri Medha V Junior College <i>Intermediate - MPC - Percentage - 82%</i>	Aug 2021 – Mar 2023 Hyderabad, Telangana
Christ The King High School <i>SSC - CGPA - 10.0</i>	Jun 2011 – May 2021 Hyderabad, Telangana

COURSEWORK / SKILLS

- Data Structures & Algorithms
- OOPS Concept
- Web Development
- Database Management System (DBMS)
- Artificial Intelligence
- Operating Systems
- Computer Networks
- Software Engineering

PROJECTS

<u>Smart-Exam:Proctor and Grader</u> ↗ MERN Stack, AI, Machine Learning, NLP, OpenCV	Aug 2025
• Developed an AI-driven online examination system using the MERN stack, integrating real-time proctoring with OpenCV and YOLO for face and object detection, and automated grading using NLP and ML algorithms. Implemented JWT authentication, a responsive React.js interface, and MongoDB for secure data management, ensuring a scalable and efficient exam experience.	
• Live site here	

<u>Campus Food Delivery System</u> ↗ MERN Stack (MongoDB, Express.js, React.js, Node.js)	Jun 2025
• Developed a full-stack campus food delivery app linking Students and Lecturers with local restaurants, featuring real-time tracking, secure payments, and personalized recommendations for efficient, convenient, and affordable meal solutions on campus	

INTERNSHIP

<u>DevElet</u> ↗ <i>Python Development</i>	Jul 2025 – Aug 2025 Hyderabad, Telangana
• build practical skills, boost career readiness, and provide real-world exposure to Python Development and Practical Hands-On Experience on Real-World Projects like Inventory Management System, Quiz Game and Number Guessing Game .	

TECHNICAL SKILLS

Languages: Python, Java, C, SQL, Html, Css, JavaScript, R

Developer Tools: VS Code, Pycharm, Jupyter Notebook, IntelliJ Idea Ultimate

Technologies/Frameworks: Django, GitHub, ReactJS, NodeJS, ExpressJS, Git, Mongo, Bootstrap

EXTRACURRICULAR

<u>Smart India Hackathon</u> ↗ <i>Team Leader</i>	Sep 2025 – Sep 2025 Medchal, Telangana
• As a Team Leader and I guided the team from ideation to implementation, ensuring effective communication, task management, and timely submissions while coordinating with mentors and organizers and motivating members to collaborate on an innovative solution.	
• Participation Certificate. ↗	

CERTIFICATIONS

• Data Analytics Job Simulation - Deloitte Australia	• Introduction to Generative AI Studio
• Python 101 for Data Science - IBM	• TCS iON Career Edge - Young Professional
• Responsive Web Design - Freecodecamp	• Software Engineering Job Simulation - Accenture Nordics
